

# New England Mountain Bike Association

## Dealer / Industry Membership Application

**Please support NEMBA with your Membership  
Let us work together to grow the industry and preserve places to ride**

NEMBA needs the support of bicycle dealers to help us preserve and promote our sport all across the New England. Your support goes directly where it is needed--on the trails your customers ride!

NEMBA not only keeps trails open by working with land managers and holding numerous trail maintenance days, but we also provide over 1000 rides a year for mountain bikers of all levels. Let us help your customers find great places to ride, and let us educate them to be good bikers who get involved in the sport! Your customers will be happy and they'll come back to you for more!

**Membership Benefits:** Dealer and Industry members are listed in each SingleTracks Magazine as well as hyperlinked on the Sponsors page of [www.NEMBA.org](http://www.NEMBA.org). In addition, IBDs will receive a bulk shipment of 25 copies of SingleTracks to give to their customers. Members also receive a 5% discount on advertising rates in SingleTracks. Contact Philip Keyes ([pk@nemba.org](mailto:pk@nemba.org) 800-576-3622) for more info.
